017/2024	Questions from Members of the Public Discussion pointed to the recent re-surfacing works (1 July 24) carried out on the A4 between Hungerford and Newbury; which included repairing damaged kerbs and replacing over 60 faded road signs. It was questioned as why the long standing 50mph road marker on the A4 leading into Froxfield had not been removed in light of the recent speed limited reduction, which included the erection of new 40 mph signs; the Chair confirmed that this part of the A4 was outside of the Froxfield boundary, and therefore outside of Wiltshire Council authority.
